

AJ Rose Conflict Mineral Policy

A.J. Rose Supplier Quality Manual policy on CMRT: "AJ Rose will make reasonable efforts to prevent the use of conflict minerals, from the conflict regions, in any of its products. All production suppliers are required to demonstrate that they are conflict mineral free (from conflict regions) or disclose their use of conflict minerals and their origins."

A.J. Rose's parts that are produced from raw material suppliers, each send Conflict Mineral reports (received from our supply chain) reviewed against a steel Material Certificate and/or the IMDS entries for any conflict minerals. If any 3TG shows up, the supplier is contacted for a verified smelters list.
